

Support & rewards for sponsors & patrons

As a sponsor or patron of the 6th annual Kingfield POPS, you will be supporting one of the premier summer events in the Western Mountains of Maine. You will also be strengthening the community and providing an opportunity for children to experience live music performances and other music enrichment events.

Please let us know if you would like to designate a gift for a selected aspect of the POPS such as the youth programs, the fireworks or the on-site VIP Patrons' Party.

We would be happy to talk with you about how this can be arranged and acknowledged.

If you have any questions about sponsorship opportunities and benefits, please email: info@kingfieldpops.com or call Lorna Nichols at (207) 778-4215.

The Kingfield POPS is pledged to providing enrichment for the community and area youth through exposure to music and arts events, education and performance opportunities. The Kingfield POPS will bring high quality arts events to the Western Maine region that include a sustainable annual music festival that strengthens the community by providing exciting live music experiences for diverse audiences and a downtown arts festival. The Kingfield POPS believes these efforts will also lead to positive economic development for the region.

Your contribution allows us to keep the admission price the same each year, to permit youth to enter free of charge, to provide an opportunity for regional students to experience live performances by professional musicians in the schools and to make improvements to the event.
